Hello Brad,

Welcome to your Intimate Lover interpretation, please check that the birth details are correct.

This explicit and honest look at an individual's sensuality and their capacity to indulge their sexual fantasies is based on interpretations of the planets and the relationships they form within your horoscope.

The interpretation of the Sun's position signifies what making loves means to you. The Moon's position indicates the way you 'perform' each time you make love. Mercury tells us your thoughts and self-expression when making love. Venus determines what you value and need most in your lovemaking. Mars helps you understand the driving force of your sexuality. Jupiter indicates your capacity and desire for lovemaking. Saturn lets you know where you feel most awkward or inhibited. The other planets Uranus, Neptune and Pluto signify generational aspirations.

The interactions between the planets within your birth chart are called 'Aspects'. These are given a Star Rating from one to five to show their relative importance in your Intimate Lover Profile. To the right of each pair of 'aspect' symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the stronger the connection. The keys to the planets, the other symbols and terms used are given at the back of the report.

## **Intimate Lover Interpretation**

Your birth chart shows the exact positions of the planets at your time of birth. It also tells you the sign of the Zodiac that was rising at your time of birth, known as your 'ascendant', which indicates your style of lovemaking. How the planetary positions of your birth chart relate to each other are interpreted on the following pages outlining your potential sexual development. The interpretation begins with your overall sexual nature and temperament.

### **Brad's sexual nature**

#### Brad's dependability

You are solid and dependable, having perseverance and staying power. You can endure situations, far longer than most, determined to see them through to the end. In fact, you often have the end in sight even before you begin. You are strongly sensual, in the sense of needing to feel the physical proof of things. That is, 'what can't be touched isn't real'.

#### Brad's thoughtfulness

You may have difficulty in expressing yourself intellectually, not perceiving the broad view and lacking the necessary insight. Grasping the theoretical side of your sex life completely evades you; not having a detached viewpoint, you can take things rather too personally and get hurt fairly easily.

#### Brad's emotions

You probably have problems in accepting your own and others emotional reactions and instinctive way of behaving. You may need to be more sensitive towards your lover's situation, as you can have difficulty in expressing your own true feelings.

## Brad's sexual temperament

Brad's consistency

Your lack of aptitude for attentiveness and restraint may be somewhat exasperating. Having any sense of assurance and stability does not come easily for you.

AS

Rising Sign

### Brad's love-making style

How others see you - the first impression you give.

AS in ♈

### Playful

Sex, like a sport, is to be enjoyed for its own sake. Joy for you comes from playing the game with an energetic spirit and is how your sexual pleasure is derived. Your carefree nature may lead you to overlook your partner's needs, which you should attend to. You may become a loyal friend or companion and hardly ever bear a grudge if things do not work out between you.

AS ♋ ★☆☆☆☆

### Comes on strong

Self assured and forthright, you're a lover who not only promises much but who also delivers - with a guaranteed good performance at high tempo.

AS ♌ ★★★★★☆

### Competent

Full of desire, you're open to innovative techniques and maximum pleasure - anything, in fact that means you can revel in your rising, sumptuous feelings.

AS ♍ ★★★★★☆

### Bizarre

You can be attracted to unusual sex and partners - sometimes unwisely. Impatience can lead to bad decisions that are far too way out. Try exercising a bit of self-control.

The Sun

### What making love means to Brad

How you express yourself as an individual.

☉ in ♈

### Warm hearted

You are full of warm feelings toward your partner. An ardent lover, for you romance is when you are filled with enthusiasm and desire to make love in the open air, at sea, in the woods or just under the starlit sky. Making love can be wild and full of energetic thrusting, which sometimes can label you as a sexual athlete. Companionship is of great importance to you because you love to share your fantasies, endlessly exploring the bounds of your sexual imagination. However, you can sometimes be totally lost during sex, indulging in a private fantasy all of your own.

## 1st house

Your sense of self-identity.

☉ in 1st House

### Alluring

You're easily noticed in a crowd, possess charm and are open and direct in your approach to others, knowing exactly what you want. You are naturally compelling and capable of achieving satisfaction without any need of the refinements of seduction.

## The Moon

### The way you 'perform' when you make love

Your immediate reactions; your emotional and compassionate nature.

☾ in ♍

### Seeks reassurance

You can be a serious and shy lover who is very uncomfortable in those lovemaking situations where spontaneous sex and exuberant reactions seem called for. You need, therefore, to be reassured by your lover, because although you can be a little slow at first, you will go all the way with plenty of love and encouragement.

## 2nd house

What you value most.

☾ in 2nd House

### Solid commitment

Comfortable surroundings are needed for you to express emotions freely. You are a loyal and devoted partner with strong values who does not want to get caught up in anything too risky, preferring secure and committed relationships.

☾ ♂ ♀ ★☆☆☆☆

### Eloquent

You're accomplished at expressing feelings and are capable of realistically pinpointing the correct emotion, which assists you greatly in developing relationships to their full potential.

☾ ♂ ♀ ★★★★★

### Captivating

You're charming and graceful; quite a catch. With your emotions and what you want both clearly in sync, you know exactly how to achieve your desires.

### Mercury

#### Brad's thoughts and self expression when making love

Communication skills; how you think and receive information from others.

#### Distinctive

You like secure surroundings and to know exactly where you are going with your sexual exploits. Once you know the exact extent of what you are 'in for', you can perform with distinction. With the right coaxing from your lover you are potentially a great and thoughtful lover, if a little reticent at first.

#### Impressive

You know exactly what turns your partner(s) on and have a well-defined concept of sexual activity already fixed in the mind, which you like to stick to. You have a vivid imagination and will get satisfaction from creating pleasurable experiences in splendid surroundings for your lover.

#### Panache

You have exceptionally good taste and are more than adequately able to express your desires. Imaginative and refined when it comes to sex, you're pleasing on the eye with a stylishness well suited to sizzling situations.

#### Turn-on

You're a high-speed, self-assured thinker who can easily turn fantasy into reality. You'll find words, and the manner of verbal communication, can be a real turn-on, allowing your body and lips to work in harmony.

#### Domineering

You may be long-winded and overstate your case, but you're much less intimidating than appears on the surface. In reality though you're unsure of what will really work and your fantasies are apt to be rather extreme or over the top.

#### Inspired

You're imaginative when it comes to lovemaking, likely to try anything to make it happen and content to let it all hang out. You know and say the right thing even in the throws of passion.

#### Has the edge

You're a capable lover with a gentle, winning approach. You can define fantasies in order to make them feasible, which intensifies excitement and arousal and ensures a pleasurable outcome.

♀ △ ♀ ★★☆☆☆

### **Confident**

You act out your fantasies well; carefully and expertly interweaving reality with the vision, thus ensuring the high point is reached confidently and without risk.

♀

**Venus**

### **What you value and need most**

How you express your emotions within personal relationships.

♀ in ♈

### **Relentless**

You take sex seriously. You want a lover with experience, who is able to turn you on. You are not satisfied unless you get what you want and when making love you will relentlessly pursue your desires to the end. You will not indulge in experimentation in sex unless the rules of play are well within defined limits.

♀ in 2nd House

### **Pleasure seeker**

You appreciate all that's earthy and physical and may enjoy sex shop playthings. What's in store for the evening's entertainment is something you'd far sooner know in advance though, because you don't like being caught by surprise. Where you're concerned, it's up to your partner to supply the most luxurious lovemaking location possible.

♀ ♁ ♃ ★★☆☆☆

### **Unconventional**

Your far-out needs are hard to satisfy and even when they're fulfilled they don't live up to your expectations. You're a prisoner of sex - with bars and locks of own making.

♂

**Mars**

### **The driving force of Brad's sexuality**

Your sex drive, stamina and the way you assert yourself and express your desires.

♂ in ♈

### **Determination**

You are careful and very determined in the way you express your needs for making love. When you have had enough experience you can be a great lover. Sexual education for you is important so as to expand the variety of your sexual techniques. You should obtain some early experience before the mould of your sexuality is cast as you are likely to erect certain boundaries early on that you could be stuck with forever.

♂ in 1st House

### **No nonsense**

You have an energetic approach to sex, are really powerful once in motion, but are not necessarily aggressive. Choosing to be straightforward and direct with no messing about, you know what is wanted and will strive to achieve it. You are likely to stand out in a crowd.

♂ □ ♃ ★★★★★

### **Passionate**

A volatile lover, you hurry your lovemaking. You should take more time and enjoy the build up, approach sex in a more circumspect manner rather than with such gusto.

♂ △ ♃ ★★★★★

### **Thrill seeker**

You don't like to waste time. You're a high-octane lover with immediate, intense passions that will overwhelm in a way that is surprisingly, both rapturous and thrilling.

♂ △ ♀ ★★★★★☆☆

### **Compulsive**

You're easily persuaded to make love all night and, with an extremely high sex drive, you could become a sex addict having uncontrollable urges that need to be satisfied.

♃

**Jupiter**

### **Brad's capacity and desire for love-making**

Your sense of fun, optimism and generosity and what you believe in most.

♃ in ♈

### **Original**

You are full of original ideas about lovemaking that swell up to the surface from within you quickly and spontaneously. These bursting urges require your lover's immediate attention and furtive execution. You are not likely to wait for your lover's approval, or want to discuss details, but are more likely to dive in directly, plunging into the thick of things to get fluids flowing before moving on to your next plan.

**4th house**

Deep inner feelings and habits.

♃ in 4th House

### **Big hearted**

You create an ample, loving environment to please partners and achieve your secret dream. The existence of a secure home enables love fantasies to grow and enthusiasm for an intimate life to become a reality.

♃ ♁ ♃ ★★★★★

### **Step too far**

It's unwise to push things beyond their breaking point. Unexpected surprises make your lover fearful, to such an extent in fact, that they're likely to depart - quite contrary to your intentions!

♄

Saturn

**Awkwardness or inhibitions**

Your sense of responsibility and lessons you have to learn.

♄ in ♋

**Resolute**

It is important for you to be objective in your love life, for you to bring the ideals that you hold, from the realm of the mind, into practical reality. Don't let your lover accuse you of being cold. When you are in a stable relationship you have the ability to meet all sorts of difficulties with a minimum of fuss.

♄ in 2nd House

**High expectations**

Personal sincerity overrides any security considerations that are not high on the agenda for you and your imagination often outstrips the reality of your situation. The absence of any great subtlety on your part means you could neglect physical comfort because you prefer ideas, rather than substance.

♄ ☐ ♃ ★★★★★☆

**All or nothing**

Repressed urges unleashed or else love flounders, liberation from custom, tradition and habits lead to ultimate satisfaction.

♅

Uranus

**Inventiveness and spontaneity**

Your imagination, initiative and ingenuity.

♅ in ♎

**Stylish**

You are capable of learning much about the detailed expression of love and developing ways and mannerisms, which will please your lover and heighten the intensity of your relationship.

**9th house**

Your depth of understanding; your more intuitive faculties.

♅ in 9th House

**Freedom lover**

You are likely to become disinterested if you're in a relationship with little potential for growth and understanding. Periodically you need a break from your conventional sexual activities in order to explore some new and exciting alternatives.

♅ ♀ ★★★★★☆☆

**Come undone**

An instantaneous burst of burning passion can blow your mind so push yourself less harshly, then gradually bit by bit explore the outer limits of your sexual pleasure, rather than all at once.

## Neptune

### Dreams, fantasies and imagination

Reveals your inner ideals, expectations and creativity.

### Sex fantasy

Your generation places a great deal of emphasis on sexuality and the intensity of your love relationships will be constantly under scrutiny. Much of what you feel is missing may, in fact, be imagined, a fantasy - so think carefully before ruining the love you have.

### 11th house

Your hopes, wishes and friends; the kind of people you are attracted to.

### Ideal

Your sights are set high, wanting to excel in the realms of love; sharing and intimacy are the ultimate pleasure for you. You are honest in the way you approach lovemaking but will need patience and effort in the long run to match up to the ideal.

### Certainty

An unrelenting inner energy stimulates fantasy from one phase to the next. Satisfaction is not in the act itself, but in powerful belief.

## Pluto

### Unconscious depths and intensity

What motivates you.

### Demanding

You are particular about your relationships and they will be difficult for you to sustain but, by attending to the detail, you ensure that your own needs as well as those of your partners are satisfied.

### Stimulating

An open-minded approach when it comes to sex. You like to introduce your partner to a deeper understanding of exciting new concepts and ideas - which hopefully, they will try their utmost to expand for your mutual sexual pleasure.
