Star Lovers

This report is designed exclusively for love relationships. The interpretation for Angelina and Brad uses a technique called 'Synastry' which is the branch of astrology dealing with relationships.

It should be pointed out that even the most unlikely love relationship can be made to work if both parties are prepared to put in the effort required. However, there are almost always some adjustments and compromises to be made in any relationship where there are two separate individuals with wills and personalities of their own.

Interpreting a relationship between two people is a complex business. A good analogy to this type of astrological assessment is the way you view a statue. Looking at a statue from the front gives you an idea of what it looks like from a single dimension. It is only by walking around it and viewing it from various points that you begin to see it as a multi-dimensional creation. This is when we can start to understand more about its total composition, what makes it what it is. So it is with the astrological assessment of a partnership.

This Star Lovers report is divided into two distinct sections, each one examining the relationship from a different vantage point:

Part One - Relationship Potential

This section provides overviews of both Angelina and Brad. It examines your relationship potential as individuals, and investigates what each of you needs and expects from a partnership, as well as from a romantic and sexual relationship.

Part Two - Relationship Compatibility

This section looks at how each of you perceives and experiences the other, examining the strengths and weaknesses of the relationship and pinpointing potential problems.

Each connection is given a Star Rating from one to five to show their relative importance. To the right of each pair of symbols, denoting the connection, is a group of five stars ★☆☆☆☆, the more dark stars there are the more important the connection. The keys for the planets and the other symbols and terms used are given at the back of the report.

Part 1 - Angelina's Relationship Potential

An astrological chart is divided into 12 'houses' each of which represents a different sphere of human life. The 5th, 7th, and 8th houses are concerned with relationship potential. Although these houses also have other meanings, here they are defined and interpreted as Angelina's love relationships (5th), Angelina's partnerships (7th) and Angelina's sexual relationships (8th).

Angelina's Love Relationships

The 5th house describes romance and courtship: the qualities you seek in a lover and in a love relationship. You may be attracted to different types of lovers who possess one or more of these qualities, but you are most likely to find true happiness with the one person who combines most or all of them.

 5th House Cusp

Deep and dark

While you are drawn to powerful and charismatic lovers, you sometimes end up in the sewer. Tremendously passionate, emotionally and sexually, you can also become possessive and jealous so your love life is likely to be one of extremes. You offer devotion and demand serious commitment in return.

Once someone touches your heart, however much of a rogue or oddity they are in the eyes of the world, you believe you can change them because of your deep conviction in the transformative power of love. And yes, miracles do happen, but in the meantime you may, at some point in your life, be forced to examine whether it's your need for intense experience, rather than any one individual, that is creating such scenarios.

You attract intense lovers and it is easiest to concentrate on one lover at a time. It may be hard to extricate yourself from relationships once formed, but it can be done, if desired, by slow, deliberate action after much deep, emotional probing.

 in 5th House

The grass is greener on the other side

Your happy-go-lucky approach to life and love and your natural optimism and enthusiasm makes you a much sought after lover. Restless and easily bored, you need variety; both in, and out of, the bedroom so your natural curiosity can be mistaken for promiscuity. Virtually impossible to shock in any way, you enjoy romantic adventure and are ever eager to broaden your already broad mind.

You are drawn to relationships with people from different cultures and countries that enrich your life and worldview. However, you do have a tendency to think the grass is greener on the other side, so there may be times when you need to develop a little more patience and persistence when it comes to love - if you're not to regret letting someone special slip through your fingers. Impracticality, coupled with your natural generosity towards your lover, could get you in a tight spot financially but somehow you always manage to land on your feet, even if you're left with holes in your shoes.

The emphasis in love relationships is on movement. Once something new is experienced and digested, you go on to different situations. Your lover may not always be consistent, but you should be philosophical about it and focus on having fun.

5th House Ruler ♀ in 3rd House

Love and romance is on your doorstep

Those in your immediate locale and siblings are likely to prove helpful in your pursuit of love and romance. Communication, whispering sweet nothings and love letters are a crucial part of romance for you. You may even find a lover through the personal ads in your local newspaper.

While flirtation is a real turn on for you, there may be times when you talk your way out of the other side of the bed with a potential love mate who'd prefer a bit more action and a little less conversation! A romance with someone from your schooldays could greatly affect your attitude to love.

You want lovers in close proximity; long-distance relationships aren't for you. You are not particularly drawn to the silent type because long pauses in conversations are uncomfortable. Besides, you believe romantic ideas should be talked about.

♃ in 5th House

Divine love or sewer sex

Elusive, dreamy and sublime, your love life is the stuff of soap operas and tabloid exclusives. An incurable romantic, you are drawn to all that is glamorous, idealistic and otherworldly and, at times, you may prefer to escape into a world of fantasy rather than accept the rough and tumble of sweaty sex.

However, you're just as likely to go to the other extreme in which you dredge the sexual sewer in an ever-downward spiral of desire for the ultimate sexual and sensual experience. Your great selflessness in love is one of your finest qualities and you have the potential to experience a divine love - a piece of heaven here on earth.

Your ability to see the good in even the most delinquent reprobate could make you easy prey for some unscrupulous individuals. Therefore, disappointment in love is likely until you face up to, and accept, some of the harsher realities of life, love and the human condition rather than relentlessly pursuing clandestine and peculiar affairs with those who are either unavailable or unworthy of your great selfless love.

You are looking for the ideal in romance. Searching for perfection in a lover might make you too fussy or cause you to deceive yourself once committed. Be aware that perfection is impossible and enjoy the minor suffering caused by little flaws.

Angelina's Partnerships

The 7th house describes marital partners and other close, one-to-one relationships. Courtship (5th house) can lead to partnership, but the 7th house assumes a close, constant contact so it is more difficult to escape potential problems. For that reason, they are more fully addressed here.

When Angelina's love affair shifts to a partnership the emphasis of her relationship changes, according to characteristics described by the signs and planets of the 7th house, as well as the position of the house ruler, outlined below.

♋ 7th House Cusp

Still waters run deep

Relationships can prove tricky for you. By nature you are very sensitive and intensely emotional; prone to deep moods and feelings, nowhere is this more apparent than in your close personal relationships. Therefore, one of the qualities you look for in a partner is someone who can offer you security - emotional mainly, but financial too. You are drawn to individuals who are often rather mature for their age, and you may team up with someone older who has acquired worldly goods, wisdom and is established in the world in some way. You need to be careful though because your natural maternal instinct may lead you to take an almost parental role with your partner, and your possessiveness and over protectiveness, often fuelled by your own insecurities, may have a restrictive affect on your opposite number - especially if your protectiveness stops them from fulfilling their true potential.

Since you are so very sensitive and, once committed, reluctant to make a change even when things get rough, you need to choose wisely. Your major decisions are likely to be more influenced by your heart than your head, which is how it should be, but nevertheless, try to make sure your affections for someone are based on more than just a passing whim or infatuation. It is likely that some people have an almost disturbing influence on you emotionally; you are drawn to them, but at the same time, almost unable to communicate without betraying the deep emotions they stir within you. Whilst this can be disconcerting and unsettling, and may make it almost impossible to reach out for what is so close at hand, the plus side is, that when you do get involved, you are rewarded with far deeper, more loving experiences.

You may be drawn to the type that looks distant and aloof on the outside, but who, like the still waters that run so deep, are deeply sensitive and emotional underneath promising the establishment of a deep and meaningful emotional bond for you. Be careful though, you may attract the occasional truly cold fish who, somehow, manages to stir your emotions, but who turns out to be as cold on the inside as they appeared on the surface and who will only serve to exacerbate your insecurities. Since you are so emotional, it helps that your partner is more practical and businesslike about things. Although you may have many opportunities, you might not find a suitable mate, or make a serious commitment, until you are into your thirties.

You want a partner to be proud of and material security is important. You may therefore be drawn to someone who is already established in the world. With partnership comes responsibility and at least one of you will be duty-oriented.

♊ in 7th House

No ordinary love

Because you demand a lot from life, you also demand a lot from others, so when it comes to your close personal relationships, you don't want "no ordinary love". You are drawn to individuals who, like yourself, have something more to offer the world, or at least something different. You may find yourself involved with someone who is a non-conformist, a revolutionary, a genius, an anarchist or a crank. Whoever they are they are unlikely to be ordinary 'run of the mill types'. While your sense of pride demands a faithful partner, you also want lots of freedom and independence in your close personal relationships.

Unconventional and contrary types are drawn to you because you do have a certain undeniable star quality and charisma about you. At times you have to tread a fine line between maintaining your individuality and keeping a committed, supportive relationship alive. Others may also find that your private persona, up close and personal, is very different to the one you present to the wider world. Your desire for freedom within your relationships can become an issue, as can the balancing of your need for emotional security against the risks of greater freedom and independence.

Nevertheless, it is important that if you do team up with individuals on the fringes of society, you are doing it for love and not simply to rebel against traditional expectations about relationships. You are likely to be unconventional in your approach to partnerships and, while you can make a very loyal, faithful, devoted mate, you would rather walk away from a promising situation if it meant that you had to compromise your own self-worth, values or pride. You feel it's possible to be committed without being totally faithful, which others may not appreciate.

You may marry someone from a different cultural or religious background than your own; or a person who is a free spirit. You consider your view of relationships to be modern, but here words may truly speak louder than actions.

7th House Ruler ♃ in 12th House

Escaping from it all together

This can be a tricky combination. Positively, your partner can be a huge, yet hidden, source of comfort and help, like your guardian angel with whom you have an almost telepathic link. Negatively, your partner may have the ability, consciously or unconsciously, to undermine you and your best interests, feeling more like a cross to bear than an equal partner in a relationship.

Nevertheless, you will find that it's when you escape from it all to spend time together that your relationship really blossoms and so it is vital to have frequent quality time alone together to develop a rich inner life. There is a strong element of idealism and sacrifice in your close personal relationships that may take the form of you being the power behind the throne in the life of someone who is an outwardly successful individual.

Your deep need to experience an almost mystical union can catapult you into seemingly fated relationships in which you have an almost compulsive urge to merge with your partner.

You may develop telepathic communications with your partner; delving into the subconscious is easier than speaking. Or perhaps you feel that you are together from a past life, but this may be for a reward, not necessarily for punishment.

No Planets in 7th House

Take it or leave it

While relationships are important to you, they are not the be all and end all for you, nor do they occupy as much of your time and energy as they do for some. Your relationships are subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the responsibilities and commitments of relationships often takes you away from the activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when they eventually settle down you're usually keen to get on with other things.

This does not mean that you will never marry, nor have a close one-to-one relationship. In fact, your demands are less complex than most, so you won't expect as much of a partner and it may be easier to get along with yourself.

Angelina's Sexual Relationships

In the context of a relationship, the 8th house can represent shared resources, partner's resources, or sex. Here it is treated solely as the house of sex. The signs and planets in the 8th house and the position of the 8th house ruler are used to determine Angelina's sexual needs and the characteristics of her sexual partners.

Since sexual activity can be an ingredient in both love affairs (5th house) and partnerships (7th house), you must decide which category your relationship belongs to and combine the relevant definitions. If the relationship is purely sexual, you can ignore the 5th and 7th houses.

8th House Cusp

Sexual rebel

Sexually surprising, outgoing and inventive you may prefer to treat your desires in a logical way so as not to be at the mercy of them. Often appearing a little bashful on first meeting you can find ingenious ways of getting your needs met and expressing them to others. While you may come across as endearingly sensitive, homely and even a bit of a traditionalist, when it comes to getting up close and personal with someone who makes your juices flow, you can be something of a non-conformist, eager to experiment and to engage in different, and even unusual, sexual practices. You can be detached when it comes to sex.

Rebellious and impulsive, you may express yourself and your needs in a contrary or unorthodox way, bordering on the perverse or peculiar and engaging in what some might consider sexual aberrations. You may perplex your partner by expressing your passions in an idiosyncratic and eccentric manner.

You have an intellectual curiosity about sexual matters, and your ideas may be nonconformist. You believe in maintaining individuality in this area and are not necessarily looking for emotional commitment from a sexual partner.

in 8th House

Sexual fantasist

An idealistic dreamer and even a bit of a fantasist, you can be very emotional and sensitive about sex. You have the gift for expressing your passion and desire in a subtle and imaginative way, although you need to be crystal clear to avoid unclear and embarrassing situations. Somewhat elusive when it comes to your approach to sex or the details of your sex life, your secretiveness may give the impression there is something mysterious or taboo going on.

At times you seek escape from the humdrum of life through sexual excess, and therefore may have to wrestle with your deeper and darker desires, to get a hold on them rather than be at their mercy, as if enslaved, compulsively indulging in inordinate sexual activity. To melt and merge with another can be heaven but it can also lead you to the sewer, as you become increasingly entangled, and spellbound, dissipating your resources and the risk of being drawn to self-destructive and compulsive sexual conduct.

You may look upon sex as a mystical experience, but you might have to learn that it is as blessed to receive in this area as it is to give. Suffering is not the only way to tap into the universe. Sharing of pleasure can produce the same results.

8th House Ruler ♃ in 4th House

Sex and psychology

There is a strong likelihood that your attitude towards sex and intimacy will be greatly influenced by one of your parents, although you might not be aware of it, or how deep and pervasive it may be within you. This may work out as a deep-seated complex in which you over-deify the parent, so that every subsequent partner falls short of your, or your parent's, estimation.

You may choose not to follow in the footsteps of a parent, but to live your (sex) life differently from what the expectations of your family and background might suggest. Sex for you can be a great source of comfort and support, often feeling that only by having your flesh, and your soul, intimately involved with another can you experience real trust and emotional satisfaction.

Your sex life could also be a barometer of your emotional and psychological well-being. Any problems you may have may, have psychological foundations; while at the same time a healthy, happy and active sex life could be the key to your emotional and psychological rejuvenation and well-being.

The psychological aspect of sex seems to be much more important to you than it is for others. Therefore, it is important for you to get involved with someone you feel a great emotional attraction to; with whom you can relate at your level and who wants something more meaningful out of the sexual side of the relationship.

As far as sexual matters are concerned, you'll feel most at home in familiar surroundings and you will want a sexual partner who is tender and caring. Or, you may be motherly and protective of those with whom you are sexually involved.

No Planets in 8th House

There's more to life than sex

While sex is important to you, it is not the big deal, nor does it occupy as much of your time and energy as it does for some. This does not mean your sex life is uneventful it's just that your sexual demands and tastes are probably less peculiar or complex than they are for others.

Your sex life is subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the pursuit of sexual gratification actually takes you away from those activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when things eventually settle down again you're usually keen to get on with other things.

You are not doomed to a life of celibacy. It is just that your list of requirements in a sexual partner and needs, in sexual activities will be shorter than most, though very likely your enjoyment will be just as great.

Brad's Love Relationships

The 5th house describes romance and courtship: the qualities you seek in a lover and in a love relationship. You may be attracted to different types of lovers who possess one or more of these qualities, but you are most likely to find true happiness with the one person who combines most or all of them.

 5th House Cusp

Immediate gratification

You've tendency to shoot first and ask questions later when it comes to romance. You can be an aggressive and domineering lover and may make a more fainthearted partner feel safer under the bed than under the covers. You like plenty of energetic activities, inside and outside of the boudoir.

Impatience, impulsiveness and your need for freedom and romantic adventure coupled with a hatred of restrictions could turn your bedroom into a battlefield if you're desires are frustrated. You are very passionate and are drawn to strong-willed, sexually demanding people. Since you can separate the physical and intellectual sides of your nature you may feel it is okay to have an occasional fling and still remain committed to your partner.

You are drawn to strong-willed and active people. They may not be consistent but they add excitement to your life. Their concentration on immediate gratification and enjoyment of even the smallest pleasures can keep you from becoming too blasé.

 in 5th House

Still waters run deep

You are a reliable and dependable lover and, while you may appear unruffled and a little conservative, this belies your deeply sensuous nature. Although faithful and devoted, you can be possessive. Between the sheets you like to work steadily on one thing at a time.

Very tactile and sensual, you have a lot of patience and stamina and may prove a little slow for some, but heaven for those who like to build up slowly to a deeply passionate climax. While you have a practical and realistic approach to romance, you have a love of luxury and like to indulge yourself (and your lover) in the finer things of life.

Your lover may introduce you to the finer things in life - providing they are not too expensive, or if someone else pays. There is enjoyment in comfortable surroundings, good food and other sensual pleasures that may be found in the same familiar places.

5th House Ruler  in 1st House

Wearing your heart on your sleeve

Fun and romance is an essential part of your life, how you express yourself and come across to others. A fun loving pleasure seeker, you're never short of admirers and, in matters of the heart, you like to take the initiative and call the shots. The immediate pursuit of fun, romance and self-indulgence is more important than long-term security and commitment.

You either assert yourself in love relationships or allow your lovers to shape your personality. The reason for wearing different faces for different lovers is to assure your personal gratification; loss of identity is not a factor here.

♃ in 5th House

Divine love or sewer sex

Elusive, dreamy and sublime, your love life is the stuff of soap operas and tabloid exclusives. An incurable romantic, you are drawn to all that is glamorous, idealistic and otherworldly and, at times, you may prefer to escape into a world of fantasy rather than accept the rough and tumble of sweaty sex.

You are looking for the ideal in romance. Searching for perfection in a lover might make you too fussy or cause you to deceive yourself once committed. Be aware that perfection is impossible and enjoy the minor suffering caused by little flaws.

Brad's Partnerships

The 7th house describes marital partners and other close, one-to-one relationships. Courtship (5th house) can lead to partnership, but the 7th house assumes a close, constant contact so it is more difficult to escape potential problems. For that reason, they are more fully addressed here.

When Brad's love affair shifts to a partnership the emphasis of his relationship changes, according to characteristics described by the signs and planets of the 7th house, as well as the position of the house ruler, outlined below.

II 7th House Cusp

Spoilt for choice

Your natural, broadminded, happy-go-lusty approach to life and love makes you a much sought after companion and you'll have numerous opportunities for serious commitment. You may have a preference for young foreigners. When it comes to making a serious commitment, you want someone who is able to keep you amused and entertained, someone witty and intellectually stimulating; not just another social butterfly. You are also likely to enjoy the company of younger partners who allow you freedom to roam, to flirt and who respond to your fun loving repartee. Restless and curious, you'll look elsewhere if you are not stimulated enough by one single individual.

The number of your admirers who hold you deep in their affections will be far greater than the number you actually care deeply about. You may live with the occasional regret that someone special slipped through your fingers, that you were looking elsewhere when you may have been sitting on a goldmine. This may, in part, be why you could stay single, forever moving from one flirtation to another, while deep down, remaining a bit of a loner. When all is said and done, although you have a healthy appetite for human flesh, when it comes to a deep and meaningful commitment, you need a meeting of minds as much as you do emotional harmony and physical attraction.

You need a gregarious partner who is talented at light repartee. This person may display various facets of their personality in different situations, but will be difficult to know in entirety. You, too, probably prefer to avoid deep analysis.

69 in 7th House

Apple pie, custard and cuddles

You can be quite an enigma for others to fathom and it may not be until you are into your thirties, or later, before you make a serious, deep commitment to someone you are deeply devoted to. You have a very sensual and somewhat lusty temperament, but what you seek in a partner is someone who is homely and sensitive to your feelings and needs; someone supportive and nurturing. Therefore, a partner who is domesticated, who enjoys food and cooking, and some of the simpler pleasures of life, is very attractive to you. You will be drawn to quiet, sensitive, but highly-strung and intensely emotional individuals, because, despite appearances, you are very emotional and sensitive about your close relationships.

You can be overly possessive and protective with a tendency to smother a potential mate, so try to steer clear of individuals who behave more like spoilt children than equal partners. It's important to get the balance right, otherwise, you may find that the demands of a partner who is looking for a mother and someone to lean on, and who reacts to the slightest (sometimes imagined) slights, only serves to exacerbate your domestic problems. Nevertheless you do have a wonderful maternal quality that you express in close personal relationships, and this can lead you down the Yellow Brick Road to real intimacy.

Since your approach to the world is often cautious and practical, it is important for you to find time to get away from it all with your partner; somewhere you can feel safe and secure. One of the challenges you'll have to face is how to balance the competing demands and responsibilities of your work, your home life and your partner.

Nurturing and helping with problems are essential parts of your partnerships. If, however, one of you does all the mothering, the other may become moody or get tired of being treated as a child. Sharing these duties can keep the problems to a minimum.

7th House Ruler ♀ in 2nd House

Love and money

While it may seem a little crude to say you're the type who would marry for money, you do need a partner who is able to provide you with a sense of security, which can be emotional as well as financial. Regardless of whether you choose to or not, you do have the ability to turn your popularity into cash.

It is also vitally important for you that your partner shares and reinforces your sense of values. Your opposite number is likely to inherit a substantial amount of money at some point in their life. You may even find your partner also becomes your business partner and vice-versa.

You do not want to be totally supported by your partner and must contribute to the relationship in some material way to feel that you are an asset. If you do not earn money, you should at least have some say in handling the finances.

No Planets in 7th House

Brad's Sexual Relationships

In the context of a relationship, the 8th house can represent shared resources, partner's resources, or sex. Here it is treated solely as the house of sex. The signs and planets in the 8th house and the position of the 8th house ruler are used to determine Brad's sexual needs and the characteristics of his sexual partners.

Since sexual activity can be an ingredient in both love affairs (5th house) and partnerships (7th house), you must decide which category your relationship belongs to and combine the relevant definitions. If the relationship is purely sexual, you can ignore the 5th and 7th houses.

♆ 8th House Cusp

Sexual bondage

You can be very emotional when it comes to sex and are surprisingly tender on an intimate one-to-one level. Your emotions prejudice your attitude to sex, associating affection and caring for someone with sexuality. You have a gift for expressing feelings and your caring tendencies sexually, making you an extremely tender and sensitive lover. However you're not always very forthcoming about your own needs, since for you, exposing yourself can be a bit of a sensitive spot.

Often at your most vulnerable when up close and personal, you can be moody and even prickly at times, retreating into your shell if your desires are not met. But others may find you a bit of an enigma, enthusiastic one minute and apparently unconcerned the next. Your gregarious happy-go-lucky approach to life conceals your difficulty in expressing your intimate and sexual needs, or in having them met, and inner insecurity may be behind your constant striving for pastures new.

You want to be treated with tenderness in sexual situations and must feel at home in your surroundings to be totally relaxed. You do not bestow affection easily, but when you do, you usually develop strong emotional ties with your partners.

♁ in 8th House

Sex kitten

You're a complex so and so. On the surface you can be quite formal, reserved and yet very ambitious with a strong desire for material security. However, behind closed doors when it comes to getting up close and personal you can be quite powerful, demanding and even domineering. You can really shine between the sheets, when things get intimate and a little sticky. A red-hot lover, tempestuous and passionate, you just love to perform.

For you, sex must have a glamorous aura and your sexual partner should be suave or adoring, or preferably both. You do not like surprises in this area because setting and plot are important parts of your personal gratification.

8th House Ruler ☾ in 2nd House

Sex and self-esteem

You have a compulsive side and a strong, at times even obsessive, desire to get to the bottom of things. You share with many porn stars, movie stars and sex workers, a strong connection with sexuality, your values and sense of self-worth. You take your sex life very seriously and need intimacy, intensity and passion to feel alive. Whether you choose to or not, your sex appeal and talent between the sheets could be a rich source of emotional and financial security.

However, since your self-worth and sex life are so closely linked, you need to be careful that your excesses don't prove too costly. You also need to be careful not to let a life of debauchery leave you with feelings of doubt about your worth outside of the boudoir. Your opposite number will have a considerable influence on your financial and emotional security and the happier and healthier your sex life the more secure you will feel.

You may not feel able to really relate to your partner until you have been intimate and opened yourself up to each other physically. In times of emotional turmoil and crisis you may seek solace through sex, as others sometimes do through drink and drugs. Like those who know how to open doors with just a smile, you may find that you can use sex to get what you want - and at times may be tempted to do so.

Nevertheless while you are likely to be well taken care of, and should be able to call upon the support of those who are important to you, if you use your sex appeal to make yourself more secure financially, you need to be careful not to undermine your self-worth in the process, or you may feel that all the money in the world doesn't amount to a hill of beans if it means sacrificing your need for emotional satisfaction.

You need security in sexual matters and want your talents appreciated by a sexual partner. You have strong views in this area and it will be difficult for anyone to alter your code of ethics except for the most practical of reasons.

There's more to life than sex

While sex is important to you, it is not the big deal, nor does it occupy as much of your time and energy as it does for some. This does not mean your sex life is uneventful it's just that your sexual demands and tastes are probably less peculiar or complex than they are for others.

Your sex life is subject to periodic change and upheaval but your real priorities are often elsewhere. You may find that the pursuit of sexual gratification actually takes you away from those activities that you find meaningful and so, while you'll put up with occasional disruption in this area of your life, when things eventually settle down again you're usually keen to get on with other things.

You are not doomed to a life of celibacy. It is just that your list of requirements in a sexual partner and needs, in sexual activities will be shorter than most, though very likely your enjoyment will be just as great.

Part Two - Relationship Compatibility

How Angelina gets on with Brad and how Brad responds.

First the connections you share:

Angelina's ♀ ♂ Brad's ♀ (04°41') ★★☆☆☆

Discordant

Regardless of whether they have what it takes to sustain a long-term relationship, Angelina and Brad feel a strong and lasting attraction towards one another. However, over time, minor discords between them are probable, although it is more likely to lead to minor differences of taste, temperament or social activities than to serious conflict.

Angelina and Brad may have a tendency to do things to excess. The biggest difficulty they may have is that they both express love and affection differently, thereby leaving each other wanting more from the association than the other is able to give. Finances could also be a source of disagreement.

Angelina's ♂ □ Brad's ♂ (00°41') ★★★★★

Formidable

The sparks really fly when Angelina and Brad get together. They make a very dynamic combination but their relationship could soon degenerate into a battle of wills, (open or subtle), as impatience, irritation and rivalry begin to surface. Since both Angelina and Brad will want to take the initiative, putting their own needs and demands first, it will be difficult for them to avoid interfering with or obstructing each other.

Quarrels are inevitable when personal differences are not accommodated, increasing the friction and hostility between Angelina and Brad which could spill over into the bedroom leading to sexual problems as they both attempt to assert their needs and desires but in different, and even conflicting ways.

This relationship could bring out the worst in Angelina and Brad, unless they can exercise a considerable amount of self-control and foresight. If they could join forces rather than competing with each other they could make a formidable pair. However, working closely together for long on anything could prove difficult (if not impossible) since tension is never far from the surface and the one who plays second fiddle may find it difficult to contain their resentment and frustration.

Mutual understanding

Angelina and Brad shouldn't have too much difficulty reaching mutual agreement and understanding on the important, as well as not so important, areas of their relationship. Together Angelina and Brad have what it takes to create an optimistic and happy-go-lucky existence. Mutual support, help and encouragement should come easily. Angelina and Brad share similar beliefs, interests and aspirations especially on philosophical matters.

They will make the most of this aspect by getting out and about together on some form of quest or adventure. Angelina and Brad inspire confidence and optimism in each other and their mutual tolerance and understanding towards one another bodes well for a happy and lucky union.

Angelina's ㊦ ㊦ Brad's ㊦ (01°45') ★☆☆☆☆

Instability

There is a strong bond between Angelina and Brad but they can have a habit of getting in each other's way. Unless they can find some way of working together despite their differences then they may just exacerbate each other's fears and anxieties and undermine one another's self-confidence.

At its worst their relationship could degenerate into mutual distrust and stubborn conflict. Angelina and Brad have different views about handling responsibility as well as financial and security matters. They can discourage and frustrate each other and generally have a negative effect on one another.

Distrust can cause serious problems of adjustment with too many responsibilities and burdens undermining their chances of mutual success as well as financial stability and security.

How Angelina's way of behaving affects Brad's security

Angelina brings caring and nurturing qualities into the home and private life of Brad and she has great sensitivity to his deep needs. Angelina and Brad may like exploring the past together, whether that's through following up their family trees, visiting historical sites or simply reminiscing or watching old movies together. They may have an affinity that comes from a sense of a shared personal history, which feels like they have shared a past life together. Angelina and Brad feel at home with each other and enjoy spending time alone together.

Since Angelina often appears to have an almost instinctive understanding of Brad's deeper psychological needs, she may tend to adopt a protective attitude towards him, mothering, and even smothering him with affection, at times of stress. Angelina and Brad may have a strong urge to retire from the world into the safety and comfort of each other's arms.

Angelina can have a profound affect on Brad, helping him get in touch with his innermost feelings. Angelina can bring out his softer, more whimsical and sentimental side and he is likely to be stirred by her instilling a sense of wistfulness and reminiscences for times past. Angelina may have the ability to make Brad feel a deep sense of his roots. This can be a strong, deep and enduring influence, although it is more likely to blossom away from prying eyes.

Deep and powerful emotions are never far from the surface when Angelina and Brad get 'up close and personal'. If they should decide to live together, their domestic and family life is likely to be very active and they will both work hard establishing a happy home and domestic harmony.

You sense that your partner needs emotional security in the home and, when this is not provided, the home situation may become unstable. If, however, you do a little pampering, you will find that your partner will probably reciprocate.

Mix-up

Misunderstandings may occur since Angelina may not always be able to relate to Brad's perspective or point of view - or may just not agree with them. Brad can become critical and impatient with Angelina's lack of clarity and common sense.

A 'head' versus 'heart' conflict may ensue. Since Angelina is so sensitive to Brad, his insensitivity or tactlessness can easily upset her. Brad fails to appreciate Angelina's moods and feelings, whilst Angelina fails to appreciate the logic behind some of Brad's ideas.

A simple lack of understanding rather than any mutual animosity may be the real factor that threatens to undermine Angelina and Brad's relationship.

How Angelina's energetic drive affects Brad's feelings of security

Angelina and Brad can arouse some very strong feelings in one another and while the initial attraction between them was no doubt powerful, they need to be mindful to find outlets for their energy, especially Angelina, otherwise the sparks that they both generate when they get together could easily spill over and at one extreme their private life together may be dogged by domestic strife and tensions.

One way this energy could be expressed would be through burning off excess energy in and around the home such as renovations, DIY improvements and decorations. Angelina and Brad do have strong feelings for one another but they can easily switch from passionate like to dislike and back again.

Angelina's presence can give Brad a greater sense of security and confidence, but this is unlikely to last if he begins to consider that she is too rash, impatient and impulsive so that the home subsequently becomes more like a battleground and a place where Angelina lets off steam rather than a sanctuary of comfort, peace and security.

It may seem that your partner wants to run activities in the home, telling everyone what to do and how to do it. If your partner does more directing than working, suggest that some of that energy could be used to accomplish tasks more quickly.

Together they have a strong desire for freedom and new experiences and while they may share big plans, they also have the potential to put them into action. As long as their ideas are not too unrealistic and they don't overextend themselves physically or financially, Angelina and Brad can accomplish a great deal together.

Rollercoaster

Angelina and Brad's relationship is likely to be a bit of a rollercoaster ride and while it may well start with a bang, it could be a real challenge to stop it going off the rails with Brad having a disconcerting, disruptive and disorderly affect on Angelina.

After a brief period of intense fascination and infatuation, the differences between Angelina and Brad quickly appear. Conflicts lead to an on/off relationship with Brad's unpredictability leading to Angelina's eventual resentment and irritation. Brad will rebel against Angelina's attempt to assert her will and his impatience and rebelliousness will increase with time and make it difficult for them to sustain a committed relationship.

Draining

Brad can force powerful changes upon Angelina, especially in the more intimate areas of their relationship. However, conflict is likely to arise sooner or later since the differences between Angelina and Brad may just be too great for either party to be able to reach a workable compromise.

Inability to bridge the gap between their differences may bring out Angelina's more dogmatic side, while Brad may become obsessive and possessive under stress. Brad's compulsiveness, intensity, secrecy and aloofness may be a further source of conflict. Friction occurs when Brad tries to change Angelina while being resistant to change themselves.

This can be a powerful relationship, with Angelina and Brad having the ability to urge each other on to greater heights but unless they can both learn to exercise greater self-control the relationship could deteriorate into a series of energy draining power struggles in which each tries to force their agenda upon the other. Sex is also likely to be a source of conflict.

How Angelina's words affect Brad's ability to relate

Because they communicate, co-operation and compromise are relatively easy to reach and so, despite whatever other difficulties Angelina and Brad may face together, their ability to communicate with each other makes it easier to avoid conflict and problems that arise because of misunderstandings.

Angelina will prove a valuable source of advice and useful ideas. With communication playing such an important role in the relationship, Angelina and Brad may prefer sitting up in bed into the early hours exchanging ideas, rather getting beneath the sheets and exchanging bodily fluids.

Brad is always glad to have Angelina on his arm at social gatherings since she is rarely at a loss for words. In business and socially, Angelina could be a source of many new business contacts, friends and associates.

Angelina and Brad's relationship is a marriage of minds. They love flirting, repartee and innuendo. For Angelina and Brad love and sex go hand-in-hand and they express their affection for one another with an intimate intensity. The sexual chemistry between them is very powerful and they share a fascination, even obsession, with sex and all that is dark, deep and mysterious.

It's not that Angelina and Brad are not loving and romantic, it just that the sexual side of their relationship is very potent and they may need to be careful not to let unbridled sensuality and lust get them in hot water. From Brad's perspective, Angelina oozes a certain animal magnetism and he finds her seductive charms irresistible.

On a more material level, Angelina and Brad can be very good for each other. Angelina seems to be able to open doors for Brad socially and financially and she may be only too willing to help him get the backing and support he needs to achieve his goals.

Angelina has the gift for making Brad respond in such a way as to make him feel relaxed when they are alone together and therefore much easier for him to lose his inhibitions - and his clothes!

Demanding

There is a powerful (and at times compulsive) physical attraction between Angelina and Brad. Intense emotions are never far from the surface and are easily aroused when they get together. When Angelina and Brad get up close and personal, the sexual chemistry is electrifying but in time Brad is likely to become increasingly possessive, demanding and domineering. Brad may even have an emotionally upsetting influence on Angelina. Sex between them is likely to be intense, obsessive and even taboo breaking.

Differences in taste could eventually prove problematic with Brad trying to manipulate Angelina into following a social life not in keeping with her true spirit. Angelina's moral integrity could suffer. The relationship may also suffer from financial problems with Angelina likely to suffer most from the association.

Angelina may grow uncomfortable under the gaze or in the presence of Brad, who in turn may pursue Angelina relentlessly, obsessively. As passions threaten to get out of control the relationship could degenerate into a battlefield fraught with sexual problems and emotional volatility. One thing is certain - it won't be dull.

Angelina's ♃ in Brad's 8th House

How Angelina's discipline affects Brad's resources and sexuality

While there is a strong bond that seems to draw Angelina and Brad together, the area of sex and intimacy can be a tricky one to deal with. It may be that Brad finds it difficult to really let go when he gets 'up close and personal' with Angelina. Unless they learn to communicate with each other and develop a strong bond of trust, then Angelina may act a bit like a wet blanket on Brad's inhibitions in the bedroom.

One or other, or both, may have a deep fear of being overwhelmed by the intimacy of it all and hold back until things become very intense. This would make Angelina and Brad's sexual relationship becoming one of extremes, with periods of relentless, insatiable sex being followed by periods of abstinence, not unlike that of a binge eater or drinker.

On another level, whether through circumstance or adversity, Angelina and Brad may be forced together, much closer than they would initially have chosen. This may require that, in their relationship, they could be forced to confront issues of trust, intimacy and dependency. Financial matters should be handled prudently, since there is the potential for Brad to acquire additional financial responsibilities through his association with Angelina.

Sex with your partner may not be innovative or extremely exciting, but there do not have to be serious limitations in this area. In fact, you can feel very secure with your partner because you know what to expect in your sex life.

How Angelina influences Brad's ambition

How good Angelina is for Brad's reputation in the eyes of the world will depend on a number of factors, nevertheless, Angelina may exert a powerful effect upon Brad's career, worldly ambitions and aim in life. While Angelina may adopt a parental role within the relationship, Brad should avoid acting out unfinished business from his early home life in his relationship with her.

For example, Brad may put Angelina up on a pedestal and then challenge her power and authority. Acting out parental power struggles is fine, if it leads Angelina to greater insight and awareness, bringing hidden motivations and complexes to light, especially if such hidden complexes are influencing Brad's worldly success or otherwise.

Nevertheless, Angelina will influence Brad's destiny and function in society, although Angelina may prefer to stay behind the scenes while Brad gets the accolades, applause and the occasional ripe tomato.

You see your partner wielding power in the world, at least your world. This could, at times, make you feel somewhat oppressed. If, however, you can unite your forces, you won't have to worry about outsiders controlling your lives.

How Angelina's originality affects Brad's friendships

Brad's friends and acquaintances may consider Angelina a bit odd. Brad may find her eccentric and unpredictable way of behaving unsettling and uncomfortable in social settings and she may even upset some of his friends, if so, this may cause Brad to demand greater social independence from Angelina.

On a more positive level Angelina will introduce Brad to some very unusual and eccentric people, a group of kindred spirits who bring about change in Brad's aspirations and humanitarian ideals. Angelina may bring him into contact with activities and groups in which he will have the opportunity to develop new and unusual friendships and, in the process, develop a new understanding and social awareness.

Your partner may avoid joining groups because it interferes with personal freedom, or maintains individuality in associations and won't fade into the background. If you're involved with others of like attitude, this area can be very exciting.

How Angelina's altruism influences Brad's unconscious mind

There is a strong link between Angelina and Brad and, if they believe in Karma or reincarnation, they probably feel they have met before and that in their present relationship they are resolving unfinished business from a previous lifetime.

Angelina may introduce Brad to the occult, spiritualism or the more mystical areas of life. While this can be a spiritually enhancing experience it can also undermine him, leading to all kinds of difficulties if not treated with respect and therefore may be better left alone.

Nevertheless Angelina can have a powerful affect on Brad but it may not always be obvious and she may tempt him away from a particular lifestyle towards another, built on very different values and ideals.

Whether by accident or design, Angelina can act upon Brad's affection in the most subtlest of ways, easily arousing his sympathies and escapist tendencies. While Angelina may encourage the expression of Brad's selfless and more charitable side, outsiders may find it difficult to comprehend his willingness to make personal sacrifices and put the needs of Angelina before his own.

You may find your partner extremely spiritually oriented, having great faith in something beyond him or herself. This view may sometimes seem unrealistic. Don't dismiss it, however, because you may find this approach sometimes works.

Instability

There is a strong bond between Brad and Angelina but they can have a habit of getting in each other's way. Unless they can find some way of working together despite their differences then they may just exacerbate each other's fears and anxieties and undermine one another's self-confidence.

At its worst their relationship could degenerate into mutual distrust and stubborn conflict. Brad and Angelina have different views about handling responsibility as well as financial and security matters. They can discourage and frustrate each other and generally have a negative effect on one another.

Distrust can cause serious problems of adjustment with too many responsibilities and burdens undermining their chances of mutual success as well as financial stability and security.

How Brad's originality affects Angelina's values

The area of Angelina's personal finances may be subject to some disruption and upheaval through her association with Brad. Money and possessions may flow in and she may benefit financially through Brad, but money could also flow out.

Sudden, unexpected and even dramatic changes in income, or expenditures, are likely when Brad and Angelina get together. It is probably best for them not to become too closely involved financially since they are likely to have different views as to how best to manage their finances.

Otherwise, the area of personal finance will be subject to instability which may be fine for Brad but Angelina may prefer a steady flow rather than the uncertainty generated by the possibility of windfalls from Brad's get-rich-quick schemes.

Brad's unpredictability may affect Angelina's confidence and exacerbate any insecurity she has. It's as if Brad was raising Angelina up one minute and then dropping her down the next. Through the course of their relationship, Brad is likely to cause Angelina to seriously re-examine her values, and she may develop a completely new, and revolutionary view, about money and the importance of material possessions.

You may not want your partner to handle your finances because, when it comes to money, you see your partner as erratic. If this becomes an issue, suggest that responsibility for such mundane matters will hinder your partner's sense of freedom.

Minor detail

Differences in social, cultural and political views between Brad and Angelina may magnify any other difference within their relationship although this characteristic is unlikely to be more than a minor irritation, accentuating the generational differences between Brad and Angelina.

How Brad influences Angelina's values

Brad may give Angelina the help and support to completely transform her notion of her own self-worth. Brad may also provide her with the resources she needs to make more of her talents and abilities. Money could be a source of difficulty if Brad appears to be overtly concerned with Angelina's financial situation and tries to control her financial affairs. Angelina's self-esteem may be closely tied to how sexy or sexually appealing she feels. Brad can be a big help by encouraging Angelina to explore her sexuality in the comfort of a loving and trusting relationship, thereby bringing Angelina much emotional satisfaction.

Therefore, Brad can have a considerable influence on Angelina's financial and emotional security and the happier and healthier Brad and Angelina's sex life, the more secure Angelina may feel. In times of emotional turmoil and crisis Angelina may seek solace through sex, as others sometimes do through drink and drugs. Angelina may find that she can use sex to get what she wants from Brad and, at times, may be tempted to do so. But this can work both ways. Brad may prove only too willing to take care of Angelina and most of her material needs. Nevertheless if Angelina were to use her sex appeal to make herself more secure financially, she needs to be careful not to undermine her self-worth, or leave herself too much in the hands of Brad.

You may feel that your partner wants total control over your finances. This can be wonderful if you have little interest in money. If however you do, you might suggest that you each handle your own finances to avoid conflicts.

Home life

How Brad's altruism influences Angelina's family

Brad can encourage and inspire Angelina to build the foundations of her life on more idealistic and spiritual foundations. At times Angelina and Brad may feel a strong urge to lock themselves away and escape from the world together. As they attempt to build an ideal home together their domestic life may be subjected to many dramas.

This is especially so in property and family matters; an area where there is potential for misunderstandings. Confusion could present problems for the relationship and so lines of communication need to be kept open. It is important that, in their most private life, Brad and Angelina endeavour to remain sympathetic and understanding of each other.

Brad seems able to connect with Angelina on a deep psychological level and can be a source of real inspiration for her, instinctively knowing how, and when, to connect with her, when she is in most need of comfort and support. Brad is very selfless and supportive towards Angelina, often being willing to make personal sacrifices for her benefit.

Brad can be very anxious and protective of Angelina and has a keen awareness of her vulnerable and sensitive side. There may be times when Brad's moodiness proves a bit disconcerting for Angelina. At such times Angelina may find it difficult to get close to and connect with Brad since he may periodically appear elusive and distant.

Emotionally, uncertainty may leave Angelina feeling that Brad is not totally reliable, therefore, it is important that they keep lines of communication open at times of change and upheaval. While Brad and Angelina have the potential for a very loving and romantic relationship, unrealistic expectations could eventually cause disillusionment and disappointment. There is a great deal of sensitivity between Brad and Angelina and they may at times feel emotionally overwhelmed by each other.

Your partner's influence in the home is strong but not forceful. Approval or disapproval may not be consistent and will be more felt than expressed. Do not try to understand the specifics. Work toward tranquillity and petty complaints can vanish.

Enjoyment

How Brad's vitality affects Angelina's creativity

Brad has the ability to inspire Angelina's creative abilities and will encourage Angelina to express herself creatively and artistically. Love and romance are likely to play an important role in this relationship. Angelina will feel more loving, romantic and in the mood for adventure and merry-making in Brad's company. Angelina's artistic talents will be encouraged by Brad.

Angelina is likely to feel more confident when she is with Brad, who will bring out her more daring and risk-taking side, encouraging her to take a chance on life and love. Angelina will feel more able and willing to shine, to express her latent talents, desire to express herself freely, to learn to be herself and do her own thing.

Joint creative projects, mutual hobbies and interests will be more fun and adventurous when Brad and Angelina get together. Brad's creativity and ability to shine rubs off strongly on Angelina.

Your partner will influence your creativity. You may feel that anything you attempt in this area will be overshadowed by your partner and, therefore, you may do nothing. But you should use your partner's talents to stimulate you to create.

Clash

Brad and Angelina can have difficulty understanding each other's perspective. While there is an initial mental attraction and mutual stimulation between them, it will be their differences that form the base of the initial attraction.

However, it won't be long before differences of opinion lead to conflict. At times Angelina will feel misunderstood, while Brad's tendency to suit himself could be a source of conflict - especially if Brad ignores what Angelina has to say.

Brad's ☉ ✳ Angelina's ♃ (02°56') ★★☆☆☆

Extraordinary

Definitely an unusual and original relationship that stimulates each other's ideas, creativity and desire for change. Brad and Angelina make a magnetic, romantic (if a little peculiar) pair. They felt a strange, mutually magnetic attraction from the start.

Angelina gives Brad a wake-up call, activating and encouraging his latent talents. When they get together their relationship can become one long rebellious, anti-social and unconventional (but unforgettable) adventure.

There is something unique about the chemistry between Brad and Angelina. Angelina is often unpredictable, while Brad is never quite sure how Angelina will behave, but this just adds to the excitement. Spiritual harmony and a never ending exchange of ideas keeps Brad and Angelina on their toes. Love and romance is lively, unpredictable and stimulating.

Work and health

How Brad might have an effect on the work and service, health, diet and dress sense of Angelina as well as her personal habits and the other more ordinary details of her life.

How Brad's way of behaving affects Angelina's daily life

While Brad may not be aware of it, his moods, worries and anxieties can have a detrimental affect on Angelina's general health and well being. At the same time, when at his best, Brad is able to offer much comfort and support to her especially when she is not feeling to good.

Brad will be a source of much practical help and is likely to be emotionally sensitive to, and affected by, Angelina's health and general welfare. Brad will be only too willing to offer her a helping hand to enable her to deal more effectively with the myriad little details and necessities of life.

Brad may even become a bit of a fussy spot, especially at times of stress and he may try to dominate the daily routine, but will usually end up continually adapting, to cater to Angelina's needs. Nevertheless, while it would appear that Brad feels it necessary to be useful and of service to Angelina, he may actually enjoy pampering to her needs and running errands.

Brad and Angelina could accomplish a great deal together if they combined their energies and expertise. Brad is likely to influence Angelina significantly in lots of little ways so her habits and routines are likely to be affected by him and he will encourage her to make more of her life on a daily basis. This could manifest as influencing Angelina's diet and daily routine, encouraging her to adopt a healthier lifestyle.

Brad is also likely to affect Angelina's work, encouraging and enabling her to shine in the workplace.

There may be fluctuations in the way your partner handles the daily routine, sometimes completing tasks, at other times, not in the mood. If a job must be done, appeal to the emotions. Suggest to your partner that accomplishment FEELS good.

Mix-up

Brad can be hypersensitive to Angelina and at times may even misconstrue her motivations or interests. Misunderstandings may occur since Brad may not always be able to relate to Angelina's perspective or point of view - or may just not agree with them. Angelina can become critical and impatient with Brad's lack of clarity and common sense.

A 'head' versus 'heart' conflict may ensue. Since Brad is so sensitive to Angelina, her insensitivity or tactlessness can easily upset him. Angelina fails to appreciate Brad's moods and feelings, whilst Brad fails to appreciate the logic behind some of Angelina's ideas.

A simple lack of understanding rather than any mutual animosity may be the real factor that threatens to undermine Brad and Angelina's relationship.

Brad's ☾ ♂ Angelina's ♀ (05°19') ★★☆☆☆

Excessive indulgence

Whatever the subsequent difficulties, there is a great deal of love and affection between Brad and Angelina. While not of particular concern in their relationship, Brad and Angelina do have a tendency to overdo things when they get together, whether physically, sensually or financially. Excessive indulgence can undermine Brad and Angelina's relationship.

Brad and Angelina's tastes and social inclinations are likely to differ and may be a cause of minor conflicts and misunderstandings. However, there is a strong attraction and mutual affection that will militate against potential problems.

Brad's ☾ □ Angelina's ♃ (05°24') ★★☆☆☆

Expectations

Brad and Angelina's relationship has the potential for much mutual happiness and good fortune. This is a larger than life combination and so, while they can grow and prosper together, they can overdo it. In fact, Angelina may be guilty of promising more than she can deliver, whilst Brad in turn, can over-estimate Angelina's abilities and capacities. Brad may expect too much of Angelina.

While Brad and Angelina have a sentimental attachment towards one another, somehow they may feel their relationship doesn't live up to what may be unrealistic expectations, leaving each other open to disappointment and disillusionment.

At times Brad may try to take advantage of Angelina, again demanding and expecting too much. Alternatively Angelina may try to impose her religious, moral or philosophical values on Brad. Nevertheless, if they can somehow manage to tame their excesses, they can be very good for each other.

Brad's ☾ ♂ Angelina's ♃ (05°27') ★★☆☆☆

Disagreements

There is a lot of glue between Brad and Angelina, the kind of glue that keeps people together. However in time Angelina can have a frustrating effect on Brad, and may even affect his emotional well being by being too critical and unfeeling. Angelina can appear aloof, and indifferent to the plight of Brad and it wouldn't be long before Brad begins to resent the restrictions placed upon them by Angelina, making his even more sensitive to Angelina.

Whether she knows it or not Angelina appears to be too hard to please and may even block or oppose Brad's plans. Domestic difficulties and financial disagreements are likely. Unless there are other mitigating factors in the relationship this association is unlikely to benefit either party.

Brad's ☾ □ Angelina's ♃ (05°58') ★★☆☆☆

Disruptive

The chemistry between Brad and Angelina was apparent from the start and the sparks really fly when they get together. However, sooner or later some serious differences are likely to surface bringing irritations and conflict to the fore. Brad and Angelina are likely to have an emotionally volatile relationship.

Angelina's increasing fickleness and unreliability in Brad's eyes can be irritating to him. Angelina can upset Brad emotionally, whilst he will become increasingly sensitive to her eccentricities. Angelina can be inconsiderate, apparently disregarding Brad's feelings, needs and views.

If Brad and Angelina do team up together, although there is a strong chemistry between them, inevitably the relationship will be disruptive in some way. It may even be so unconventional and indiscreet that it ends up causing trouble for one or both parties. Although eventful and exciting Brad and Angelina are likely to suffer from many upsets and separations with the ensuing instability and insecurity.

How Brad's words affect Angelina's daily life

Brad and Angelina seem to spend a lot of time together dealing with the little daily details of life. They can work well together, although they may spend so much time talking that little time is left for anything else.

Brad is likely to be the one always coming up with the latest gadget or device to make life's little chores that much more efficient and effective. They enjoy getting out and about together and may go to keep-fit and exercise classes together.

Brad is also likely to be the one who comes up with new diets and healthy living ideas, which they attempt together. At times of stress, Angelina can get a great deal of benefit by talking with Brad whose presence can have a therapeutic affect on her.

The attraction between Brad and Angelina is to a large part mental, in fact the meeting of minds, mental chemistry, between them may be more potent than the physical chemistry.

Brad and Angelina have a lot of interests and opinions in common and their similarity when it comes to what they think important makes it easy for them to reach agreement. They find each other's company interesting and intellectually stimulating, regardless of whether they come from different social or cultural backgrounds.

Debate and discussion forms an important and lively part of their relationship. Fortunately for Brad and Angelina, in their ability and willingness to communicate and reach mutual understanding they have one of the key ingredients necessary to maintain a happy long-term relationship.

Your partner will have much to say about the daily routine and may be interested in the way you arrange your work. Although you can count on a lot of discussion and perhaps some advice, co-operation in action will not necessarily follow.

Brad's ♀ □ Angelina's ♂ (05°24') ★★☆☆☆

Misunderstandings

When it comes to their discussions and debates, both Brad and Angelina may find it difficult to get a word in edgeways. While their conversations are usually very energetic and enthusiastic, Angelina may feel Brad talks too fast and too much or vice-versa. Brad's tendency to reason and think things through can irritate Angelina who is more impatient, desiring immediate action and gratification.

Therefore, unless they both exercise greater patience and self-control, the relationship will suffer from much tension and annoyance. Angelina may be too headstrong and impulsive for Brad, while to Angelina, Brad appears too concerned with talk and not enough with action.

Conflict is never far from the surface since Angelina's aggressive spirit is at odds with Brad's reasoning and thoughtful approach. Misunderstandings, quarrels and friction will make close co-operation difficult for any length of time, especially since Brad can become increasingly tactless when faced with Angelina's confrontational outbursts.

Brad's ♀ □ Angelina's ♃ (01°19') ★★★★★

Unrealistic expectations

Brad and Angelina can learn a lot from each other. While Brad and Angelina are likely to strike up a good rapport, they may soon find that their relationship needs to come down to earth, otherwise, unrealistic expectations about what each has to offer may cause disappointment, disillusionment and general misgivings.

Brad is likely to gain most from the relationship and may even be tempted to take advantage of Angelina's good nature. Differences of opinion are likely to centre on moral, ethical or intellectual matters. Angelina may be condescending to Brad, thinking of him as too superficial or small-minded.

Brad may even consider Angelina too pompous and unrealistic. Spiritual and intellect interests are unlikely to coincide and may become a source of conflict. In time Brad and Angelina may find that, while they have a genuine liking for each other's company, deep down they probably have little in common.

Brad's ♀ ♂ Angelina's ♃ (01°17') ★★★★★

Foundation

This characteristic of Brad and Angelina's can provide one of the foundations of a serious and committed union. Angelina can have a steadying and calming influence on Brad if she makes sure she tries to offer practical suggestions rather than criticisms of Brad's many plans and schemes. Otherwise Angelina may become too critical or restrictive of Brad, finding him too superficial or fickle.

If Angelina becomes too exacting or discouraging, belittling Brad's ideas and opinions, he may become increasingly inhibited and even depressed in Angelina's presence. Angelina can worry or limit Brad, adversely affecting his self-confidence and self-esteem.

In time, communication and co-operation will become increasingly fraught. Angelina may resent Brad's spontaneity and may put undue burdens and responsibilities on his shoulders.

How Brad's charms affect Angelina's daily routine

Whether Brad and Angelina's relationship started off as an office romance, or whether they met through work or some work related project, there is a strong chance that work will play some significant role in their relationship.

Brad seems to get a great deal of personal satisfaction from catering to Angelina's needs, almost willing to become a slave to love, making many personal sacrifices for her benefit. Brad will willingly take on daily errands for Angelina and will get much satisfaction from doing chores for her.

Part of Angelina's attraction to Brad is his willingness and ability to look after the details, and some of the dirty work, then Angelina can put his feet up every now and then. In fact Brad's tendency to pamper and indulge Angelina could lead to digestive trouble for her.

Fortunately Brad is also likely to be forever coming up with the new diets and health and beauty regimes that will improve both of their health and well being and physical attractiveness in each other's eyes.

Your partner may take the drudgery out of your daily routine, or may be so involved in personal pleasure that you end up with all the work. Study and apply Tom Sawyer's methods. Why should someone else have all the fun?

Hard work

Although they may have taken their time getting to know each other, early on Brad and Angelina will have become aware that their relationship had the kind of glue that keeps people together for a long time. However, whether Angelina is aware of it or not she can be too critical of Brad, too intense, demanding and serious. Brad could eventually grow to feel limited, restricted and depressed by Angelina's presence. Brad may tend to suffer at the hands of Angelina, who may prove mean, resentful and critical of him.

In time Brad may find it increasingly difficult to express affection towards Angelina without becoming fearful or anxious. Angelina brings sorrow and worry into his life and she tends to impose too much responsibility on Brad. The association may well be plagued by financial problems. This relationship will take a lot of hard work if it is to succeed and prosper.

Brad's ♀ □ Angelina's ♃ (05°20') ★★☆☆☆

Fickle

Brad and Angelina share a strong and intense attraction for one another. There is a magnetic fascination between them that probably emerged suddenly and intensely, and may well have been love at first sight.

Brad and Angelina's love life will be full of surprises and excitement but it might be difficult to get much of a feeling of security from the relationship. While this relationship will be electric and the chemistry between them considerable, it may prove just too unstable and unpredictable to last for long unless they can discover a way to maintain their closeness and yet lead independent lives.

Angelina is the more disruptive, unreliable and unstable of the two. Though there is much initial promise and excitement, the relationship may not prove very lucky for either party. The romance may be short-lived and fickle with many changes of heart and separations. Nevertheless, it won't be dull.

Brad's ♀ ∟ Angelina's ♃ (01°52') ★☆☆☆☆

Problematic

This relationship can bring out the best, and the worst, in Brad and Angelina. Unfortunately there is unlikely to be a straightforward middle way. Physical, sensual and financial activity may go to extremes. While there is a certain sympathy and devotion between them, they are unlikely to be able to see each other clearly.

Confusion, misunderstandings and deception could well creep into the relationship. Brad may need to make sure Angelina can deliver what she promises as she may be apt to deceive or confuse Brad. This may be a source of problems; especially where financial issues are concerned.

In time Brad may consider Angelina unreliable, untrustworthy, and even ineffectual. Brad is likely to suffer more than Angelina in the relationship. Angelina can mislead, entice, enchant but also delude and confuse Brad, who may need to be careful that he does not lose out financially from the association. Self-indulgence, excess and a mutual desire to avoid worldly responsibilities may lead to degenerating and bewildering tendencies between Brad and Angelina being exacerbated.

How Brad's energetic drive affects Angelina's daily life and routine

Brad and Angelina may get a lot of satisfaction from exercising and working out together. Brad generally likes to be busy and productive so when it comes to dealing with chores and the little details of daily living it might be best for Angelina to leave things to Brad.

This gives Brad a chance to burn off excess energy in a healthy and productive way and not only that, he can be very dynamic when it comes to getting the chores done and both Brad and Angelina can benefit from his industriousness.

However, if Angelina feels frustrated and becomes impatient then mutual irritation may result and could play with her nerves. At times Angelina may consider Brad too rash, impatient and impulsive and so it is important that he has a certain freedom and independence to get on with things.

This can be a tricky aspect of Brad and Angelina's relationship since Brad can work very hard and should be given the opportunity to get things done as he can achieve a lot that will benefit both parties and at the same time he can let off steam.

Whereas, if he is constantly frustrated then minor quarrels could surface over little things and the resultant stress could be detrimental to Angelina's general health and well being.

You could view your partner as a very hard worker, or at least as someone who manages to keep busy every day. Probably many tasks will be eagerly begun, but in order to get them finished, try to maintain a high level of enthusiasm.

Struggle

Brad may grow to feel his ability to act is restricted or frustrated by Angelina, sapping his energies. Angelina's caution can stifle Brad and make him feel oppressed. Brad's energy, initiative and ambition may feel thwarted or frustrated, making him increasingly likely to become rebellious and defiant towards Angelina. Brad's energy, activity and desire to explore and be daring can disturb Angelina's natural desire for caution, safety and emotional and financial stability.

Angelina frustrates Brad, making him impatient, angry and irritable. Angelina is often very critical of Brad's ambitions and enterprises. Although Angelina may restrain some of Brad's worst excesses, he won't appreciate her interference. Unless they can develop considerable mutual understanding and respect, the relationship can become a discordant and disruptive experience as Brad and Angelina struggle to impose their own agendas on each other.

Insatiable

There is a potent chemistry between Brad and Angelina - their relationship has an air of mystery, magic and romantic idealism about it. Together they can reach the heights (and depths) of sensual and sexual excess, stirring up deep insatiable desires within each other. Angelina's influence on Brad is likely to be subtle and emotional rather than obvious or objective.

Brad's initiative and Angelina's idealistic, self-sacrificing temperament can work very well together; especially when engaged in creative and artistic projects. Angelina has a soothing influence on Brad who, in turn, is grateful for Angelina's companionship and understanding. Brad helps to animate Angelina and make her dreams and ideals a reality. Brad excites Angelina's emotional nature while she can inspire Brad. Although Brad tends to be the one who initiates things, over time Angelina will be able to exert a strong, if indirect, influence over him.

Brad's ♂ □ Angelina's ♀ (03°30') ★★★★★

Explosive

There is a powerful, almost primitive force that seems to draw Brad and Angelina together. Their relationship can be very volatile and it may be difficult for them to work together for long without there being serious risks of conflict and power struggles. As suppressed tensions begin to surface a conflict of wills may make progress impossible and neither will want to be seen to give way or lose face.

Whoever does have to stand aside is likely to suffer from resentment, which may surface in an explosive manner. Any show of authority or bossiness on the part of one is likely to be met with swift and uncompromising resistance on the part of the other. Sex, which may be a roller coaster of an adventure at first, may turn into a battlefield. Sexual perverseness on the part of Angelina may even be disconcerting to Brad.

How Brad's discipline affects Angelina's ability to relate

Brad and Angelina's relationship has a lot of the 'glue' that binds people together and is one of the factors (if other factors support this) that can indicate a long-term relationship. Over time Angelina may grow to feel considerable responsibility towards Brad. Since she is likely to be especially sensitive towards him, it is important for Brad not to be too critical of Angelina - however well meant his initial intentions.

At his best, Brad can offer Angelina a great source of security, like a port in a storm. At his worst, however, Brad can become a burden, inhibiting Angelina emotionally. There is likely to be a difference in age or maturity between Brad and Angelina, with one or the other being a source of much worldly wisdom and advice. It is important that Brad doesn't let his concern and protective instincts towards Angelina become a restrictive influence in the relationship.

Brad and Angelina need to try not to take their relationship too seriously, but rather try to develop a lighter touch and greater spontaneity. Nevertheless, while it may take a while before Brad and Angelina really get to know each other, their relationship can be stable and enduring.

To you, your partner is a rock, either the Rock of Gibraltar or a millstone around your neck. These two alternatives are not necessarily mutually exclusive. If you want dependability, you usually have to give a little, too.

How Brad's optimism influences Angelina's philosophy

Whether Brad and Angelina meet while on their travels or in an educational or spiritual setting, these factors are sure to play an important role in their relationship. It is also likely that they both may come from very different social, religious or cultural backgrounds, but this is likely to be a source of much mutual interest and enrichment rather than discord.

Brad will help Angelina to grow and broaden her horizons, and encourage her to make more of her intellectual abilities through study or philosophical exploration.

Your partner can expand your religious or philosophical views, although this education may sometimes come in the form of a sermon. It may not be easy to break into the monologue, but your partner can be open to your ideas if you present them.

Spiritual

In many ways Brad and Angelina are likely to have a very idealistic relationship. Spiritual and religious interest are encouraged in both, with Brad coming from a more established viewpoint and cultural perspective while Angelina brings a certain 'otherworldly' or even mystical quality.

There may be evidence of a strong, almost telepathic or psychic link between Brad and Angelina, with the relationship tending to prove fortunate for both. This is a highly spiritual combination with a strong probability that you will share a belief in something beyond the here and now.

Brad's ♃ ♀ Angelina's ♃ (03°19') ★★★★★☆☆

Power struggles

Although Brad and Angelina have the ability to create grand plans together (and the potential power to make them a reality), nevertheless, they will eventually have to do something about their very deep differences in order to achieve their aims. Angelina may eventually appear to try to thwart or frustrate Brad's attempts to progress. Power struggles are likely over ethical, financial or even metaphysical matters.

Brad may find Angelina's approach too manipulative or too secretive, while Angelina may consider Brad's optimism and happy-go-lucky approach to life lacking in depth and sincerity. Angelina can become too obsessive, possessive and domineering while Brad may resent having his wings clipped and ideals undermined.
